## **Cy-Fair Sports Association Coaches Contract Terms**

The following agreement must be read and signed prior to the performance of any duties as a Manager or Head Coach for any team within the Cy-Fair Sports Association (CFSA).

The sporting program is designed to teach the fundamentals of the sport and the principles of good sportsmanship.

I have read the entire set of rules and regulations for the sport and I understand them fully.

I realize that I may be held accountable to CFSA for the actions of the assistant coaches, the players and the parents. I must demonstrate good sportsmanship and attempt to maintain control of their behavior at the games and practice sessions.

I realize that fees charged do not cover the operating expenses and that fund raising activities are necessary to finance the program. Therefore, I will support all fund raising activities of the CFSA, including volunteer time at CFSA sponsored tournaments, and encourage all the parents of players to support all fund raising activities.

I understand that the expulsion from a game of any Manager, Head Coach, Assistant Coach or player will result in an automatic ONE game suspension. I realize that participation of an expelled coach or player at a game or practice will result in an automatic forfeit of that game or the next game if at a practice. I realize that any Manager, Coach, Player or Parent that has been expelled must leave the playing field and/or spectator area immediately.

Fighting, profanity, the use of drugs, tobacco or alcohol at CFSA events WILL NOT be tolerated. Complaints from parents, officials, coaches or school officials will result in immediate dismissal and termination of the offenders from the association with CFSA.
